GALLOP INTO
SUMMER AT
BROOKHILL RANCH

WELCOME TO BROOKHILL!

We are so excited to welcome you to Brookhill Ranch Summer Camp! For more than 60 years, Brookhill has been a place where campers discover independence, build lifelong friendships, and experience the joy of growing in faith – all in a safe, fun, and unforgettable setting.

Our Admin Team works year-round to make sure camp is more than just a week or 2 away from home. We believe in creating an environment where every camper feels known, cared for, and encouraged to try new things – whether that's riding a horse for the first time, jumping into the lake, or simply singing their heart at counsel ring. As you flip through this guide, you'll get a glimpse of what makes Brookhill so special: exciting activities, meaningful traditions, caring counselors, and most importantly, the chance for campers to grow in confidence and in Christ.

We can't wait to share another summer of laughter, adventure, and lifelong memories with you. See you at Brookhill!

With joy and anticipation,
The Brookhill Admin Team

WHY BROOKHILL?

At Brookhill, everything we do is built around our vision of Fun, Connection, and Jesus. We believe camp should be a place where kids laugh until their sides hurt, build lifelong friendships, and get to see how much fun it can be to follow Christ. Brookhill isn't just a week (or two) away from home, it's a life-changing adventure that sticks with campers long after they leave.

FUN

We believe fun should be safe and meaningful. From sun-up to lights-out, camp is packed with excitement—crazy games, themed days, fun activities, and nightly events. Every activity is designed with safety first, so campers can try new things, push their limits, and enjoy the adventure without worry. In the process, they're developing confidence and courage that extend far beyond camp.

CONNECTION

Belonging is at the heart of camp. Cabin life, shared meals, team games, and even conversations around the baggo boards create space for real friendships to grow. Our counselors are intentional about investing in campers, making sure every child feels known, included, and valued. Through these connections, campers learn key parts of their personal development that will serve them for life.

JESUS

At the center of everything is Jesus. We believe true growth comes not only from fun and friendships, but from experiencing God's love. Through morning devos, worship, nightly Bible stories, and crucifixion reenactments, campers are encouraged to explore their faith in a safe and developmentally-specific environment. Our prayer is that every camper leaves knowing Jesus loves them, and will carry this truth with them long after camp ends.
